SPH Summer 2025 & Kiddo.id STEM Trip to
Singapore

Join the ultimate tech adventure: learn, innovate & explore Singapore!

Join a 4-day adventure where learning meets innovation! Engage in hands-on STEM activities, explore the latest tech trends, build your first IoT project, and visit top universities—all designed to spark creativity and critical thinking.

Beyond the classroom, you'll embark on thrilling challenges like the Amazing Race Singapore: Technology Edition, engage with industry leaders at Apple and Linkedin, also fun exploration of the vibrant city of Singapore. With expert mentors, interactive workshops, and like-minded peers, this is more than just a camp—it's a transformational journey into the world of innovation!

STEM Singapore Summer Trip Itinerary:
