Welcome to the Future...

Business & Tech Summer Camp

Grades 4 -11

Get ready to a summer unlike any other, where learning comes to life and big dreams turn into real action.

This is more than just a camp, it is a launchpad for bold ideas, creative thinking, ethical leadership, and using AI to solve real-world problems.

With exciting activities in entrepreneurship, the environment and tech, you won't just be preparing for the future,
You will be shaping it!

You'll gain the skills to tackle challenges, the creativity to imagine what's possible, and the courage to lead the way!
