Hands of Hope: Papuan LifeSkills Project for Teenage Girls

As an assistant instructor, teach Papuan girls cooking, baking, and sewing—skills that can spark dreams of becoming chefs, fashion designers, or entrepreneurs. Over two weeks, help the girls create and sell their products at UPH Lippo Village Campus, raising funds for their education and future.

Papuan GameChangers: Empowering Young Athletes

Passionate about sports? Train Papuan teenage boys in fitness and soccer, developing them into future athletes, coaches, and event organizers. Over two weeks, help them form their soccer team at UPH Lippo Village, inspiring active lifestyles and growth for a brighter future.

The camp concludes with a Fun Event: Movie Day at Cinepolis for all students: mentors & mentee, reflecting on your impact. Whether you're looking to boost your college applications, extra CAS points, or finding true purpose, this multicultural experience will challenge and inspire you to lead with heart and serve with impact.
