You are His Masterpiece: A Youth Retreat that Matters!

Join us for an unforgettable 3-day, 2-night youth retreat in an idyllic mountain setting where young hearts are empowered to lead with purpose. Teens in grades 7-12 will embark on a transformative journey with Pastor Ben and Mrs. Endang Poli, seasoned educators with a passion for guiding young people, alongside our dedicated SPH teachers and U.S. chaperones. This retreat will offer a perfect blend of spiritual growth, adventure, and community service as we explore God's purpose in our lives and find strength in our faith. Teens will enjoy a fun and invigorating trek to a nearby waterfall, an experience that symbolizes the refreshing power of God's creation, and engage in a mission learning activity with Breakthrough for Indonesia, where they'll engage with former drug abusers, learning the true meaning of restoration and service.

This retreat is designed to equip the next generation of leaders with a deeper understanding of their unique callings and empower them to serve Christ in impactful ways. Teens will leave with a renewed sense of purpose, ready to shine as servant leaders in their communities and beyond. Don't miss out on this incredible opportunity for growth, fun, and meaningful connection. Register today and take the first step toward becoming a future leader for Christ!

Pastor Ben and Ibu Endang Poli bring a deep passion for discipling and equipping the young for the nations. Pastor Ben came to Christ through the Navigators ministry and has served youth for over 20 years at First Evangelical Church in Rosemead, CA. He is currently pursuing a Doctor of Leadership Ministry at Columbia International University. He previously served as Principal at SPH and Ipeka International School in Indonesia and has led mission trips to Mexico, Taiwan, and Thailand. Ibu Endang, with 31 years in education, transitioned from IT consulting to teaching, serving as a preschool and middle school math teacher and longtime Sunday School teacher. A homeschooling mother for 17 years, she now serves as the Children's Ministry Director at First Evangelical Church of San Gabriel Valley, CA. As parents of grown children and grandparents of two, they remain closely connected with many of their former students in the US and in Indonesia. Their heart for biblical parenting and family discipleship continues to impact generations.

Ms. Nisya Salim is a MYP Teacher in SPH LV. This summer, she looks forward to serving as an activity leader at Summer School, fostering a sense of belonging through fun and meaningful experiences. Outside of teaching, she enjoys knitting, crocheting, making music, and exploring thought-provoking video essays on YouTube.

Mr. Justin Shull is a dedicated history educator with Georgia State Teaching Certification. His background as a Summer Camp Director and Student Ministry Resident has strengthened his ability to mentor and engage students beyond academics. Passionate about education, he creates dynamic and inclusive learning experience beyond the classrooms.
